

BUSINESS: SPORTS AND RECREATION MANAGEMENT

HEGIS: 5506.10

SUNY CODE: 0462

This program prepares students for entry-level positions in public and private recreational facilities. The curriculum offers coursework in business, health, recreation and liberal arts. Graduates are prepared to:

- Own and operate a small business in a sports or recreational field
- Coach a variety of sports
- Plan and schedule recreational activities
- Implement recreational programs at treatment facilities
- Provide recreational and leisure services to the general public

Career Opportunities/Transfer information

Graduates find employment at resorts, golf courses, fitness centers, sporting goods stores, campgrounds, parks, recreational departments and youth services. While not designed as a transfer program, students have continued their education at SUC at Brockport, SUC at Purchase, SUC at Cortland, Ithaca College and St. John's University.
