

# BUSINESS: ACCOUNTING (A.A.S.)

**HEGIS: 5002**  
**SUNY CODE: 0630**

Accountants collect and analyze financial data, design and maintain accounting systems, prepare budgets, financial statements, and tax returns, and conduct audits. The A.A.S. degree in Accounting will prepare students for entry-level positions in the accounting field.

## Career Opportunities

The demand for accounting positions will continue to grow. Graduates find jobs in public accounting and private industry, as well as in the not-for-profit sector and with state and local government agencies.
