

BUSINESS: HUMAN RESOURCE MANAGEMENT

HEGIS: 5004
SUNY CODE: 1325

This program prepares students for entry-level human resource management positions in such areas as employee benefits, recruiting, job analysis, compensation, employee welfare coordination and training. Graduates are prepared to:

- Write and perform job evaluations
- Complete job analysis
- Write job descriptions
- Understand employee compensation and benefits issues
- Understand labor laws and health and safety issues

Career Opportunities/Transfer Information

Graduates find employment in public and private institutions. While not designed as a transfer program, graduates can go on to four-year programs at SUC at Oswego, SUNY Institute of Technology and many other colleges and universities.
